Dwarf Fruit Trees
and Semi-Dwarf Fruit Trees

Hardy, northern-grown trees that bear delicious, full-sized fruit — apples, pears, peaches, many others. Easy to care for. Also ESPALIER-TRAINED FRUIT TREES.

ILLUSTRATED CATALOG
How to select, plant and care for these trees. Write today for free copy.

HENRY LEUTHARDT
Dept. O, East Moriches, N.Y. 11940

The GARDEN CART with SO MANY USES!

FREE CATALOG tells all about this wonderfully handy, handsome LAWN and GARDEN CART! Holds TWICE as much as a wheelbarrow! EASILY carries much heavier loads! Much easier to handle! Won't tip over! SO easy to push or pull with ONE HAND, thanks to TWO BIG ball-bearing, rubber-tired wheels. *Several models, several sizes. Each built to last a long time. Makes a most appreciated gift anytime of year. Please write for FREE CATALOG of styles, prices.*
